

## **SECTION 9 - FORMS AND DOCUMENTS**

This section will be used only in the *EPA individual* EDI Project Implementation Guidelines to:

- C Identify the business documents to be communicated via EDI,
- C Identify the Transaction Sets selected to communicate the information,
- C Provide a matrix map of the information on the document to the ASC X12 segments, and
- C Provide for the inclusion of additional information pertinent to the successful implementation of the project.

**THIS PAGE INTENTIONALLY LEFT BLANK**
